TEST POINT

SOLDER

CAUTION  
For your safety, please do not touch the metal parts of the power supply unit when the power is on. The power supply unit may become hot during operation.

ATTENTION  
Pour votre sécurité, ne touchez pas les parties métalliques de l'alimentation électrique lorsque celle-ci est sous tension. L'alimentation électrique peut devenir chaude pendant le fonctionnement.

Component list table with columns for ID, Part No., and Description.

Table with 3 columns: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12
