

NOTA TECNICA N. 00256/LB - Apr 01, 2019

Excalibur electric module components maps for washing machines and washing dryer with production date from May 2016

IMPORTANT

Use the NFC Service App for Read and Write Electric Module Eeprom file.
(See Technical note **N. 0179GE** / 2016 and next updated)

Reference	Electronic Component Description
1	Relay - Anti Clockwise Rotation Motor
2	Relay - Clockwise Rotation Motor
3	Relay - High speed Motor - Motor field socket
4	Relay - Washing Heating Element
5	Relay - Dryer Heating Element
6	Triac - Motor Check
7	Triac - Drain Pump Check
8	Triac - Drain Motor fan
9	NTC Washing Probe
10	APS Sensor (Pressostat)
11	Triac Pre-Washing
12	Triac Washing
13	Power Supply *
14	Triac Door Lock
15	NFC Module (Near Field Communication)
16	NTC Drain Probe
17	Triac - Dryer Solenoid Valve

* Please - Check all parts that are subjected to voltage.

Thank you for your attention.
